Special General Body Meeting: **Elections for Managing Committee [2017-2020]**

Dear All,

The Managing Committee considered the points raised by some members regarding availability of time for filing of nominations. It was felt that the time given was short. The same was expressed by the Hony President. Subsequently, the matter was taken up by the previous Managing Committee with the Returning Officer, who is the authority to conduct elections. He disagreed to reconsider, since according to him, it was in accordance with law on the subject. The Returning Officer proceeded as per the calendar of events circulated by him on 5th Jan 2017. The notice for holding elections by the previous committee was issued giving more than the stipulated time of 21 days.

This Managing Committee having elected office bearers again took note of the sentiments expressed. In the interest of transparency, inclusiveness and participation, it was decided that a Special General Body Meeting is to be called on Sunday, 26th Feb 2017. The facts shall be placed before the house to consider the issues raised and take appropriate decision.

The Notice is attached along with the details for your information. The Notice shall also be displayed on website and dispatched by courier.

Kindly make it a point to attend,

Regards,

(M.GURURAJ)
Hony. SECRETARY
22nd January, 2017
